# ZOCAYA

How to get Unlisted Video Link for Your Video

Follow the steps below. This will work for both public and paying supporter only videos. If you face any issues, you can email support at zocayamedia@gmail.com
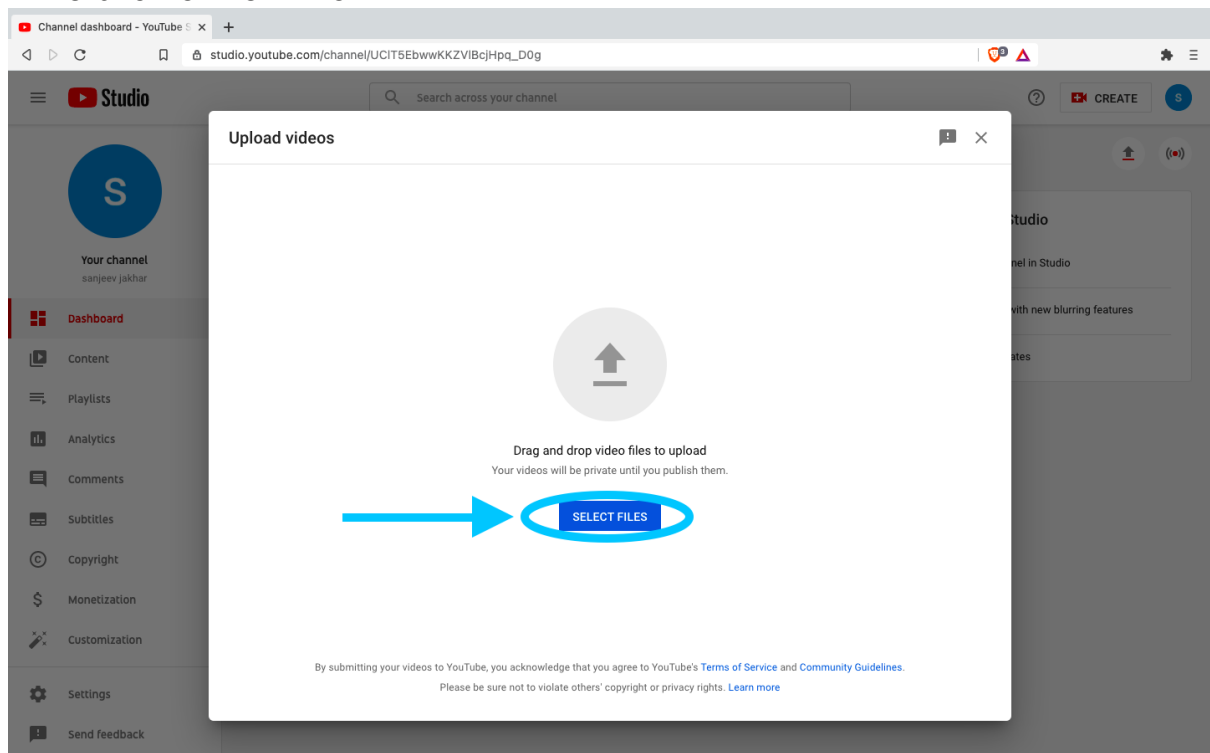

1. Go to https://studio.youtube.com/
2. Click on 'CREATE' on the top right corner as shown in screenshot
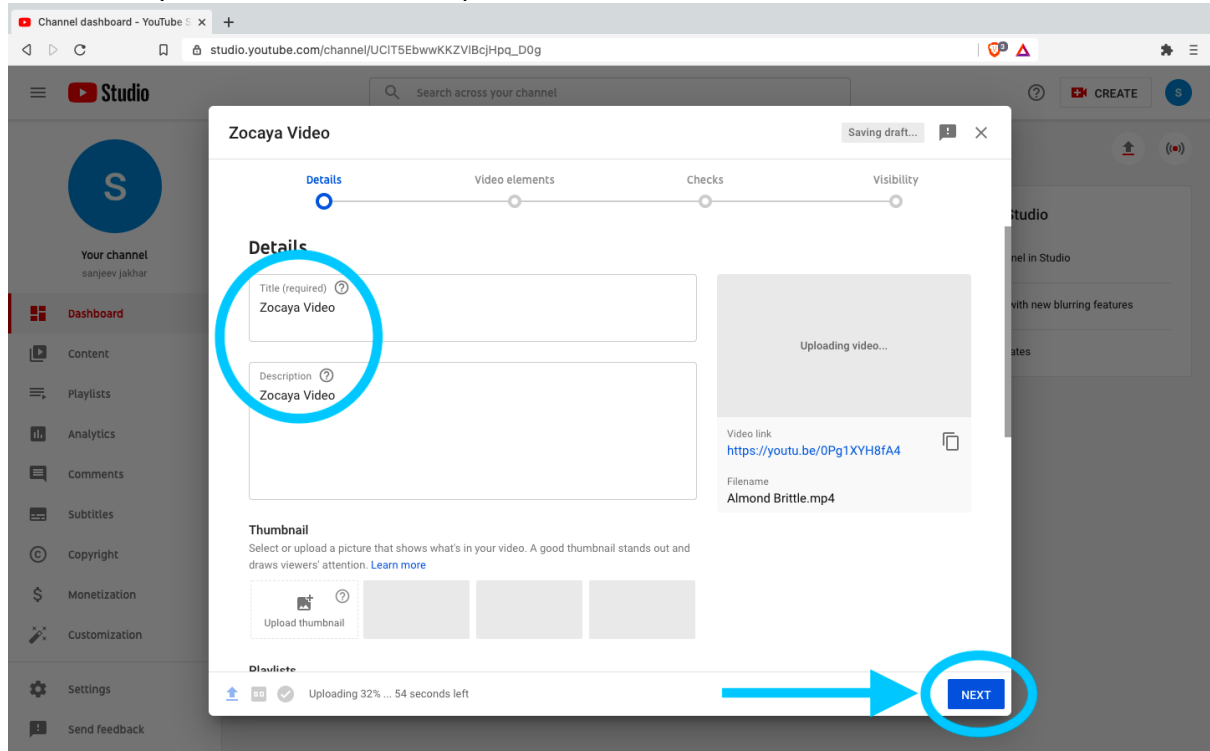

## 3. Click on 'Upload Videos'

## 4. Click on 'SELECT FILES'

5. Add any Video Title and Description and then click NEXT

6. Click on NEXT again and again. Go to 'Visibility'. Select 'Unlisted' as shown below

7. Copy Video Link and then click 'SAVE'

8. This link is the Video Link for your video. Paste this link on Zocaya website as shown below
